Overview

Shimonoseki City University (SCU) is a municipal university located Shimonoseki in Yamaguchi Prefecture, a historically significant city for more than 1,000 years.

Established in 1956 as “Shimonoseki Commercial Junior College” it was intended to serve working youths who would otherwise not get access to higher education. SCU originally had only one department – the Faculty of Economics – but added the following departments and faculties as time went by:

- 1983 Department of International Commerce (the Faculty of Economics)
- 1990 Shimonoseki Institute for Research of Industry and Culture
- 2000 Graduate School (Master's courses)
- 2011 Department of Public Management (the Faculty of Economics)
- 2024 The Faculty of Data Science
- 2025 The Faculty of Nursing

SCU now has three faculties, Economics, Data Science and Nursing, as well as the Graduate School of Economics.

The number of students

As of May 1, 2026, SCU has 2,220 students, including 26 graduate students. Also, there are 60 international students, 18 of them are exchange students.

Ever since SCU's foundation in the 1950s, our university has thrived through its strong international connections and willingness to collaborate with outside institutions, scholars, and businesses. As part of this tradition, we are entering a new phase of even greater international cooperation and collaboration, connecting with educational communities, institutions and organizations around the world, including *yours*. SCU is pleased to welcome *you* for a visit, for a semester, or for the duration of your studies.
